

BLACK LIVES MATTER

**20.7% of NHS workers are BAME / non-white.
6.1% are black, even though only 3.1% of the
working age population are black.**

**However, of the 119 NHS staff known to have
died from the pandemic — 64% are BAME /
non-white.¹**

**If you care about the NHS, you care about
BLACK LIVES.**
